Purpose. Passion. Success.

"Providing premier, preschool & school-age services for children 6 weeks – 12 years."

A PARENT'S PERSPECTIVE:

"When you ask my children what they like best about Pettit Private School, they both mention the outside programs. In addition to the themed, age-appropriate monthly curriculum, Traci brings in outside programs to teach the children about health and wellness. I love the friendly staff and their openness to questions and suggestions. I also appreciate Mrs. Cheryl always having a funny story about something the kids have done that day. Thanks for all your hard work and how much you love our kids."
